A Message from Principal Cecchini

We are already four weeks in, & things are going well.
I see many smiles as I walk the halls & enter the classrooms.

I informed the 8th grade class earlier this week that they will be taking a class trip to **NYC on December 20th**. It is going to be an exciting experience some students may never have again. Although all of the details have not yet been finalized, all of our students will begin by watching our **8th grade vocalists sing in Radio City Music Hall prior to the Rockettes Christmas Spectacular show!!!** The students will then divide by art and visit different areas of the city. Some of these may include an off-Broadway show, the Museum of Modern Art, Carnegie Hall, or a dance workshop with professionals. The students will end their trip at the Rockefeller Center Christmas Tree. More details will be coming soon.

As a result of this opportunity, the school calendar has been adjusted. School was closed on November 7th for a teacher in-service day. This has been changed to a regular school day, and **December 20th has become the in-service day**. I understand that this may be an inconvenience for some, but it makes the most sense as far as the education of the children.

I'd like to thank everyone who has been able to attend our fundraisers, as the NYC trip comes with a hefty price tag, and all money raised will help defer that cost. As we reach the midway point of the first quarter, I hope that communication with your student's teachers has been open and helpful. Please feel free to email their teachers with any questions or concerns.

Also, please stop by **tomorrow morning at 10am** to talk with me about the future of our school. I'm looking forward to hearing your ideas & suggestions. I am excited to see how our children have done in their classes, as there seems to be much focus and activity in the classrooms. As always, **Work Hard, Play Hard!**
