

Monologues - Theatre

Pick from one of the monologues below. There is both a dramatic option and a comedic option. Please come prepared with this memorized for your audition.

Male

Arrest Her!

Description: Papa Bear asks a police officer to arrest an intruder.

Genre: Comedic

You need to arrest her, officer. I mean this Goldilocks person, she walked right into our house like it was hers. She ate the porridge that Mama Bear made for us. She was soooooo hungry. She could have just eaten one bowl but noooo she had to find the perfect one, so she ate them all. And she didn't even bring the dishes to the sink! Then she went to take a nap in our beds she messed all three of them up. Sat in all the chairs and broke one and didn't clean up. Who does this sort of thing?! I think she should have to pay a big fine. Actually, she probably doesn't care about what she did. Fining her isn't enough, I want her in jail so she can think about her behavior! Yes, ARREST GOLDBLOCKS! ARREST HER!

You'd Better Pay Me

Description: The Pied Piper threatens the townspeople if the Mayor doesn't pay him.

Genre: Dramatic

What do you mean you aren't going to pay me? I just got rid of those rats for you. They won't be back for a long time, if ever. So, where's my money? What? This is a joke, right? I have a family to feed you know. You need to pay me now! I just single handedly went from town to town playing my flute and had an army of rats following me. I got rid of them all, every last one! If it wasn't for me, then you people would have gotten a horrible plague that would have killed almost everyone. You need to know that there are more things I can do with this flute of mine. Since you were smart enough to hire me to take care of the rats then you should be smart enough to know that you should pay me unless you want something terrible to happen. Still not going to pay, huh? (Starts playing the flute.) Do you hear that? That thunder and lightning surrounding us? That's the magic starting to work. Say goodbye to your children. (He grins and starts playing the flute again.)

Female

Babysitter's Rules

Description: Babysitter is not who Mom thinks she is.

Genre: Comedic

Don't worry, Linda. I will take great care of your kids. I have lots of experience with kids, so I know what to do when they misbehave. Bye. (Turns to kids after Linda leaves) Now listen, you little brats! I am the boss here, so you will do everything I ask you to do exactly when I say it. Here are the rules: Rule #1 You don't question. You just do it. Rule #2 Never tell your mom anything that I do. Always tell her I'm the best babysitter. You wouldn't want me to lose my job, would you? Rule #3 You eat what I make, or you don't eat at all. Rule #4 If I have company do not talk to them and go into the basement. Rule #5 If I make a mess, you clean it. I'm your guest, not the other way around. Rule #6 No crying allowed. Ok, those are the rules. Go have fun! (rolls eyes and whispers) Little brats.

Stage Fright

Description: A girl is very nervous about performing in a play.

Genre: Dramatic

Hi, my name is Emma. I have my very first play tomorrow and I am super nervous. Can you help me? You can! Thank you! Wait, so you did the same play before? You were also nervous? So, what did you do? Okay, trying not to look at people would help me a lot when I am doing the play. Do you have any other strategies? One more, what is it? Practicing in front of my family will help me? Thanks again! Now I am not nervous, I am excited! Now that I am confident in practicing and going on stage, I will make tomorrow the best day of my life. I will always remember these things when I go on stage. I am super excited to go on stage. I am going to do my best. Thank you so much!

Either

Colors

Description: A student uses color to describe gender identity.

Genre: Dramatic

You know what bothers me? Certain colors... Blue and pink they bother me. Blue for boys or pink for girls, it's a stereotype. If you're a guy then blue strictly, and if you're a girl its pink... but what if I don't want to think of it like that? I'm purple; I am yellow, I am green. Cause I am my own shade of pink, I am magenta. Cause I am my own shade of blue, I am turquoise. We are our own shade of ANY and EVERY color. WE are the rainbow. All of us are different and stereotyping girls and guys gets us nowhere. I am red, orange, yellow, green, blue, and violet. I am the rainbow, I AM ME

Forks

Description: A fork proclaims superiority over the other utensils.

Genre: Comedic

As a fork, I can proudly say that we are the superior utensils. I was talking to spoon the other day and she was all braggy about how they used her for soup AND ice cream the other night. Pffff. That's nothin. I have the ability to STAB and POKE and SPEAR. Spoon said, "Oh yeah, what about stirring?" Well, I can do that too. Yesterday morning, the big lady human used me to stir cream into her coffee, and it wasn't

just because all the spoons were dirty like spoon said. Knives? Well, they generally keep quiet because we all know they have anger problems. Especially the steak knives. Forks are the friendliest. Everyone knows that. Oops. Gott run. Gonna get used again. Yum, pancakes!
