Board Policy 3.7

Equal Access

It is the policy of the Arts Academy Charter School to provide equal access and a free appropriate public education, including all necessary modifications and accommodations to each student with an eligible disability under Section 504 of the Rehabilitation Act of 1973, regardless of the nature or severity of the disability. It is the intent of the school to ensure that students who have disabilities that meet the requirements set forth under Section 504 are identified, evaluated, and provided with appropriate educational services. Students may be disabled under this policy even though they do not require specially-designed instruction pursuant to the Individuals with Disabilities Education Act (IDEA).

The school shall comply with all applicable federal and state laws and regulations in complying with this policy. Parents are encouraged to contact the school if their child has a disability or they feel that their child may qualify as an eligible student under Section 504. All questions, concerns or requests for evaluation/consideration for Section 504 eligibility should be directed to:
