Board Policy 5.2.1

Cleaning and Disinfecting of AACCS Building

The Board of Directors of the Arts Academy Charter School recognizes the need to follow best practices when dealing with the cleaning and disinfecting of the Arts Academy Charter School building, especially in light of the coronavirus disease 2019 (COVID-19).

Accordingly, The Board directs the Executive Director to formulate and execute a plan for cleaning and disinfecting the Arts Academy Charter (Middle) School in accordance with the Center for Disease Control (CDC) and with the related guidelines and directives from the Pennsylvania Department of Education and the Laws/Regulations of the State of Pennsylvania.
